Engineered for maximum payloads, our Accident Free, Low Mile 2022 Mercedes-Benz Sprinter 15 Passenger Luxury Conversion 4500 High Roof Van Dually with a 170 Inch Extended Wheelbase combines Diesel power and a proud Selenite Grey Metallic finish! Motivated by a TurboCharged 3.0 Liter V6 offering 188hp and 325lb-ft of torque paired with a 7 Speed Automatic transmission so you can pull with confidence to match an upsized GVWR. Also enjoy composed handling in this Dual Rear Wheel Drive van that represents your business well with its dynamic lines, bold proportions, and precisely contoured headlights, all complemented by smart equipment like an electric sliding side door with an extended track for easy access. The result is an incredible amount of rear space with comfortable accommodations for the driver and passengers. Includes supportive seating, a tilt-and-telescoping steering wheel, dual air conditioning, and heat-insulating glass that you'll really appreciate on sunny days. Stay in tune and connected every day with Bluetooth®, a 5.8-inch central display, and a five-speaker AM/FM/USB/AUX sound system. Mercedes-Benz lets you meet your daily challenges with peace of mind knowing you're safeguarded by a rearview camera, a load-adaptive electronic stability system, hill-start assist, and more! Our Sprinter is engineered to bring an extraordinary level of safety, performance, and cost-efficiency to owners just like you!
